george WA

TEXT PLATE (evil talking tom)

That's a ton of mistakes.
First, Talking Tom said "ho ho ho ho ho ho ho" instead of "oh oh oh oh oh oh oh", Talking Tom called Evil Talking Tom as Garfield, then with a very long bizarre reason, then it supposed to be "grounded", not "ungrounded", we already at the living room, that's not how Evil Talking Tom cries, and then the angry expression got replaced with the agreeing expression and replacing the crying expression with the dancing expression.
